5 January 2026

On 5 January 2026, Columbia Threadneedle (CT) announced that Benjamin Moore, manager of the CT European Select fund, will be leaving the firm. He is set to join the European Equity team at BlackRock in the Spring.

As a result of the news, we have decided to remove the fund from our Recommended list. At present, Mr Moore is continuing to contribute to the European Equities team at CT while the firm works through the transition period. We await further information from CT in this regard.
